Article 3:

Amendments to the Raymond Zoning Ordinance as proposed by the Raymond Planning Board: The Raymond Planning Board recommends the following changes and amendments to the Zoning Ordinance:

Proposal 1: Add to Article 1, General Provisions - No building is to be constructed within the Town of Raymond to a height in excess of 30 feet measured from adjourning ground level to the uppermost ceiling. (The Raymond Fire Department does not have the equipment necessary to provide immediate and safe escape from any building constructed higher than this.)

Yes - 340 No - 210

Proposal 2: Add to Article 1-A, Definitions - "Start of Construction" shall mean the clearing land thereof of natural vegetation placing an artificial fill thereon, or doing any other act or acts which will alter the natural state of the land or environment for the purpose of building construction, the placing of a mobile home or other prefabricated building, except the digging of test holes for percolation testing and other site exploration as necessary.

And that Article VI-A-1 - Paragraph 3 be revised to read: There shall be no start of construction, nor shall any building be enlarged or replaced until a building permit shall first have been obtained from the building inspector.

Yes - 290 No - 244

Proposal 3: Add to Article I-A, Definitions - Principal Building - A building in which is conducted the principal use of the lot on which it is situated. In any residential zone, any dwelling shall be deemed to be the principal building on the lot on which it is located. Accessory Building - A building whose use is subordinate to theuse of the principal building on the same lot and serving a purpose customarily incidental to the use of the principal building.

And also the word "dwelling" which appears in Article III, Paragraph 3, second sentence be replaced with the words "principal building".

Yes - 284 No - 229

Proposal 4: That all of Article II be replaced with the following:

Article II - Zones

For this purpose of this ordinance, the Town of Raymond is divided into six (6) zones as shown on the Zoning Map dated January 1, 1976, which is a part of this ordinance.

Zone A - Residential;

Zone A shall include all areas within 600 feet of existing water mains as of January 1, 1976, excepting areas included in Zone C, Zone D, and Zone F as hereinafter provided.

Zone B - Residential - Agricultural

Zone B shall include all areas of the town

which are not specifically included in Zones A, C, D, E, or F herein provided.

Zone C - Commercial

Zone C shall include all land having frontage on one of the following roads: Main Street - between Moulton Street and Harriman Hill Road; State of New Hampshire Route 101 - from the Raymond-Candia town line easterly to a point 1,000 feet east of the intersection of Route 101 By-Pass.

With a depth limitation perpendicular to the frontage of 500 feet. The Zoning Map is drawn to show "maximum possible depth" for any lot having legal frontage on the roads or streets listed above.

Zone D - Industrial

Zone D shall include all the area bounded by Route 101 (Epping Road) on the North; Prescott Road on the East; and on the Southerly and Westerly sides by the Lamprey River, northerly to the point where it intersects Lot 51, Tax Map 6, (land now or formerly of Grover Moulton), thence westerly and northerly by the boundaries of that lot, to where it intersects the Boston and Maine Railroad; thence easterly along the Boston and Maine Railroad to a point perpendicular to the end of Juanita Avenue and continuing northerly along the east side of Lot 9, Tax Map 18, to the south side of Route 101, and including the aforementioned Lot 9 as was previously excepted from this area.

Excepted from this area are those lands between Route 101 By-Pass and the Boston and Maine Railroad as shown on the Zoning Map dated January 1, 1976 as part of Zone B. This excluded area is also shown on Raymond Tax Map 32.

Zone E - Mobile Homes

Zone E shall include all lands bounded by New Hampshire Route 102 (Chester Road) on the west; Route 107 (Fremont Road) on the North; the Fremont town line on the east; and the Chester town line on the south.

Zone F - Historic Zone

Zone F shall include the parcel of land and buildings owned by the Raymond Historical Society and is shown on Raymond Tax Map 23 as Lot 137. (Formerly the Boston and Maine Railroad Depot and associated buildings.)

ALLOWED USES:

Zone A - Residential shall include the following uses:

Pre-existing non-conforming uses; dwelling occupancy by one or two families; parks, cemetaries, mobile homes on lots in existing mobile home parks; customarily home-operated businesses within the home by not more than three (3) hired employees; sale of home products; two yard sales per year to be not more than one (1) week in duration; schools; churches; libraries; professional offices; and town and municipal uses.

Zone B - Residential-Agricultural shall include all uses allowed in Zone A; and agricultural uses up to 100% of the lot area, raising or keeping of farm animals; and camping areas.

Zone C - Commercial shall include all uses allowed in Zones A and B; retail and wholesale outlets; service stations; restaurants; real estate officers, banks; laundries and dry cleaners; multiple family dwellings; hotels and motels and other similar commercial enterprises.

Zone D - Industrial shall include all uses allowed in Zones A, B and C as well as manufacturing, assembling, and warehousing operations and other so-called industrial uses within the General Provisions of Article I on this Ordinance.

Zone E - Mobile Homes shall include all uses allowed in Zones A and B; mobile homes; and mobile home parks.

Zone F - Historic - uses which promote the education, pleasure and welfare of the citizens as well as preserve and safeguard the heritage of the municipality.

ALSO, that the following be added to Article III, paragraph 2: Excepted from this requirement are all those areas within Zone C within 600 feet of existing water mains as of January 1, 1976, which areas shall conform to lot sizes, frontage, and setbacks for Zone A.

AND that all references to Zones 1 and 2 in Article III, paragraphs 1 and 2; Article IV, paragraph 1; and Article V, paragraphs 1 and 2 be changed to the appropriate Zones A, B, C, D, E, or F.

This would establish land use zones so that commercial and industrial enterprises would know where in town they would be allowed to locate.)

Yes - 284 No - 248

Proposal 5 - That all of Article III be replaced with the following: All lots in Zone 2 must contain at least two (2) acres (87,120 sq. ft.) of land area and have a minimum of two hundred (200) feet frontage on a street. No new buildings or enlargements of existing buildings shall be located on any lot within fifty (50) feet of any property lines. Excepted from this requirement

are all buildings on any pre-existing lot in Zone 2 of less than two (2) acres which shall require setbacks of twenty-five (25) feet from all property lines. (This would enlarge lot sizes and frontage for all newly created lots and require larger setbacks on lots of (2) acres or more.

Yes - 283 No - 255

Proposal 6 - That Article VI-A, paragraph 7 which provides for payment of twice the normal fee for any building permit obtained after construction has begun, be amended by the addition of the following: "In addition, the provisions of Article VI-B, paragraph 3 may also apply." And that Article VI-B, paragraph 3 be replaced with the following: "Any person, firm or corporation violating any of the provisions of this Ordinance shall be guilty of a violation and may be punished by a fine of not more than twenty-five ($25.00) dollars upon conviction, for each day such violation may exist or continue. Any such violation, once commenced shall constitute a continuing violation until it is terminated and such a continuing violation may be prosecuted as a single violation or as a series of separate violations."

(This would clarify and strengthen the penalty provisions of this Ordinance.)

Yes - 270 No - 235

Proposal 7: - Are you in favor of the adoption of the amendment to the zoning ordinance as proposed by petition of the voters of this town?

We make this resolution to the Planning Board that the following parcel of land and buildings as described, Tax Map No. 23, Lot No. 137 of the 1976 Raymond Town Tax Map, be incorporated in your master zoning plan as an historical zone. The Raymond Planning Board Recommends the adoption of this amendment to the zoning ordinance.

Yes - 292 No - 215

There being no further business the meeting adjourned at 9:15 p.m.

A true record - Attest:

Robert H. Clement
Town Clerk

For details of the four years of operation, please refer to the respective Town Report.

Note: In the expense account, the inspector's fee is always included. This is to indicate the solvency of the department and to show that the operation is not a burden or need not be a burden on the taxes of the Town.

Again, a big "thank you" to the Town's people for their cooperation. All the Town's personnel for their friendliness, the Town Officers for their advice, the office personnel for their patience, and the Selectmen for their direction.

Sincerely,
V. RAOUL RIOUX
Building Inspector

RAYMOND POLICE DEPARTMENT

Since this will be my final report as Chief of Police (my term expires and I do not choose to run for re-election) I will make it brief so as not to impose on my successor.

I wish to thank all the members of the Police Department and Dispatch Center for the loyalty and dedication they have shown me.

The Ambulance Service is a great group and I have enjoyed working with them.

The Fire Department is doing a fine job and we shall miss Burgess on his retirement, somehow the fire house will not be the same place without him and I thank him for the help and cooperation he has always extended me.

But most of all I thank you, the voters of Town of Raymond for electing me to nearly every office the Town can offer. Your confidence in me is unequaled in Town history.

The pressure of private business forces this decision to temporarily retire from public life. I shall miss public service very much. It has been in my blood since my first election as class president in my sophomore year, but the choice had to be made.

Thank you and goodbye for now,
J. Henry Greenwood, Chief
Raymond Police Department

RAYMOND FIRE DEPARTMENT

The following is a summary of the activities of the Fire Department for the year 1976. We responded to 118 calls as follows:

20 Building fires
2 Trailer fires
23 Brush or grass fires
5 Town Dump
10 Car fires
5 Chimney fires
5 No school
5 Mutual Aid (2 each to Nottingham and Fremont: 1 to the Brentwood County Home)
6 False Alarms
33 Miscellaneous calls
2 Lost persons
1 Burning (Benneville House)

The estimated value of buildings involved with actual fire was $1,226,250.00. Estimated loss was $48,325.00.

On January 24th, we pumped water for 20 hours for the Water Department to supplement the supply due to a broken main on Epping Street. This total aid to the Water Department involved approximately 500 man-hours of continuous work over a period of three days and three nights. The only cost to the Water Department was $104.76 for gas, oil, and lunch for the men. Approximately 360,000 gallons were pumped during the period.

A new Elementary School and Gymnasium were built this past year, and alterations to the old gymnasium plus other changes at the old school were also made. I believe the School District is of the opinion that I gave them a bit of hard time during this construction and renovation work! However, I can assure the Townspeople that any of the requirements I made were in accordance with the Life Safety Code and are necessary for the safety of the school children as well as the general public, and for fire protection. At this writing, (January 14, 1977), some of the requirements have not yet been completed.

On August 19, 1976, I sent a letter of recommendation to the School Board which included the improvement of the fire detection system in all of the buildings. This would mean a greater difference in the fire warning system in parts of the buildings not now protected and, incidentally, would result in some reduction in insurance costs.

This year we put a 1426 gallon tank with a 300 G P M pumper on the Civil Defense truck which was purchased the previous year. All our equipment is in very good condition and, barring any unpredictable breakdowns, should require only ordinary minor repairs.

This will be my last report as Fire Chief for the Town of Raymond as I shall retire July 31, 1977 after 35 years of Fire service to the Town and 8 years as its Chief. I cannot thank the citizens of Raymond enough for the excellent support given me since I became Chief in 1969. I have never been denied anything I requested for the Fire Department and, because of this support, I leave a Department which is well-equipped with the latest and best apparatus for a town the size of Raymond.

I am not going to single out my thanks to any one particular group or Department for their cooperation during my term of office since all have been more than helpful in every way. I trust my successor will receive the same support which has been given me. However, I do wish to express my sincere thanks to all my faithful firefighters for their dedication to their work and, also, special thanks to all those firemen who helped maintain the Fire Department and equipment which was beyond their duties as firemen, thereby saving the Town considerable expense.

Respectfully submitted,

Burgess A. Chase, Fire Chief

CIVIL DEFENSE REPORT

Our Department was on alert in August for possible hurricane. Emergency shelters were set up at the school, the VFW Club, and the Senior Citizens Building. The School Gym was utilized for the evacuation of Camp Se-Sa-Ma-Ca. Deputy Sordillo and myself were on patrol throughout the town until after the danger had passed.

The State Civil Defense Department has a new Director and the Deputy Director has retired. Due to an investigation conducted in the spring, new regulations came into effect with reference to obtaining merchandise. Available merchandise that can be obtained through Civil Defense is material that could be used in an emergency only, and also a new listing on merchandise available as surplus material is now in effect. Because of the new regulations, many items requested are now unavailable.

The Civil Defense Department is offering a couse in Radiological Monitoring (RADEF). The home course is open to males and females and involves sixteen hours of time. Anyone interested may contact either myself or Deputy Gene Sordillo for further information.

I would like to thank the Fire, Police and Ambulance Departments for their cooperation and assistance.

Respectfully submitted,
David Gordon
Civil Defense Department

RAYMOND PLANNING BOARD REPORT FOR 1976

The year 1976 was again a busy one for the Planning Board. One of the major accomplishments was the implementation of the new Zoning Ordinances and Maps showing Land Use Zones as approved by the voters in March, 1976. The Board was happy to have the additional tools to help guide the growth in the Town.

The Planning Board has been working with the Building Inspector, helping him as needed. The Board also created a more detailed building permit application form which has eliminated many problems which have existed in the past, and has provided more information on the proposed construction to the Town Office.

The Board received 13 applications for the subdivision of land which would create 71 new building lots. Nine of the subdivisions were approved, creating 20 new building lots and 4 applications are awaiting completion of the subdivision procedure or pending further investigation.

Again this year, the Board worked with the engineering firm of Wright, Pierce, Barnes, and Wyman drafting the Comprehensive Master Sewerage Plan for the Town. A public hearing will be presented to the voters in March, 1977, for the approval and the appropriation of funds to proceed to the design stage of the system.

Another accomplishment of the Board was preparing and presenting 5 proposed changes to the Zoning Ordinance. We have used the services of a highly qualified attorney, and have increased our knowledge of zoning, in the preparation of these zoning change proposals. One of the major problems facing our town is the crisis rapid growth rate of the population with its resulting effects on the school system and the demand for other services of the town. We have therefore proposed a restriction on the issuance of building permits for dwellings.

Problems arising in the past year also prompted us to propose (1) definitions for campers, camping areas, mobile homes, and mobile home parks where each may be used, (2) a sign ordinance, and (3) a list of conditions governing the granting of exceptions to the land use as specified by the ordinance to assist the Board of Adjustment in decisions on applications to them. Public Hearings on the proposed changes were held on December 14, 1976 and on January 13, 1977.

The regular meeting of the Planning Board is held on the first Thursday of every month at 7:30 p.m. at the Town Office Building. All meetings are public and all residents are welcome to attend.

Respectfully submitted,
Harold R. Wood, Jr., Chairman

The Planning Board has incurred greater expenses than we normally would due to the controversy of the proposed Building Permit Restriction. We have the services of a highly qualified attorney in the zoning and subdivision fields, but because of the controversy, our legal expenses have been higher than they would normally be. We are therefore requesting that the 1976 balance of $525.33 be carried over to 1977 and that we also be appropriated $1,500.00 for the new year.

TRUSTEES OF THE DUDLEY-TUCKER LIBRARY

Trustees of the Dudley-Tucker Library are very much pleased with the activities of the new librarian, Mrs. Linda Sordillo, accomplished since she was appointed. Her report accounts for these in more detail.

For the third consecutive year, the library has met the New Hampshire requirements for service:

Population range 4000-4999; open minimum 30 hours weekly; policy statement on file, including goals, personnel rules, book selection.

Extent of physical facilities (running water, telephone, toilet).

Librarian's qualifications — professional, or taking such training.

We wish to thank the many townspeople who have made contributions to the library.

Town Warrant

and

Town Budget

of the

Town of

RAYMOND

NEW HAMPSHIRE

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10 A.M. TO 6 P.M.

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

Your are hereby notified to meet at the Raymond Town Office Building in said Raymond on Tuesday the eighth day of March 1977 at ten o'clock in the fore noon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see what action the Town will take relative to the playing of Beano in the Town of Raymond.

3. To see if the Town will vote to enact the amendments to the Zoning Ordinance as proposed by the Raymond Planning Board.

4. On petition of (13) thirteen voting residents, to see if the Town will vote on the following:

Do you favor adoption of the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated.

5. To see if the Town will vote to rescind its prior vote providing for the election of the Chief of Police at its annual Town Meeting and to provide that at the time of the 1978 Annual Town Meeting and thereafter, all full-time police officers in the Town of Raymond, including the Chief of Police shall be appointed officials to be set at the Annual Town Meeting of 1978 and thereafter.

6. To see if the town will vote to adopt the provisions of the Municipal Budget Law.

Given under our hands and seal, this seventh day of February, in the year of our Lord nineteen hundred and seventy-seven.

February 14, 1977

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Raymond High School being a public place in said Town, on the sixteenth day of February, 1977.

Ivan C. Reed
James R. Turner
Robert C. Erler
Selectmen of Raymond

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Raymond in the (L.S.) County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the twelfth day of March, 1977, at ten o'clock in the forenoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of same.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

3. To see if the Town will vote to authorize the Board of Selectmen to sell at public auction any property acquired by Tax Collector's deeds.

4. Whereas, the new elementary school has just been opened, and whereas, the school is nearly at capacity, the borrowing power of the Town of Raymond is nearly utilized to its maximum, and whereas unlimited housing development would add to the nearly overcrowded conditions of the schools, and the police and fire departments are financially limited in their expansion, we propose the following ordinance to slow the growth of the Town of Raymond, to the voters for their consideration.

A. The number of residential building permits which may be issued other than for elderly housing to any record holder in any building year shall be limited to the following:

1. A record holder of 10 or less acres in the Town of Raymond may obtain one building permit per building year.

2. A record holder of more than 10 but less

than 25 acres in the Town of Raymond may obtain two building permits per building year.

3. A record holder of a total of 25 acres or more but less than 50 acres in the Town of Raymond may obtain three building permits per building year.

4. A record holder of a total of 50 acres or more in the Town of Raymond may obtain four building permits per building year.

B. The first building year shall be from April 1, 1976 to March 31, 1977 and shall be identified as the 1976 Building Year.

C. A record holder may transfer to a grantee the rights to a residential building permit as presented in paragraph 1 by notifying the Planning Board. Notification for such transfers of rights shall be made to the Planning Board in writing within 60 days of the conveyance of the land for which a building permit is sought. Said transfer shall constitute a release by a record holder to a grantee of the record holder's right to apply for a residential building permit so transferred and shall convey to the grantee the same rights to apply for a residential building permit or permits as the record holder possessed under this section. Such transferred rights shall terminate if not exercised within two years from the date of transfer. Otherwise residential building permit rights will accrue to a grantee in accordance with paragraph 1.

D. For the purpose of this section, the following definitions shall apply:

1. Record holder shall mean the owner of land for which a residential building permit is sought, who has owned said land continuously since April 1st in the prior year of the building year in which the application for a building permit or transfer of rights to a building permit is made; said ownership shall be established by a deed recorded at the Rockingham County Registry of Deeds on or before said April 1st in the year prior to said Building year.

2. The building year shall run from April 1st through March 31st and be identified by the year in which April 1st falls.

3. A grantee shall mean a successor in title to the lands or a portion of the lands of a record holder.

E. This section does not apply to existing dwellings damaged or destroyed.

5. If this article is adopted, a committee will be appointed to study the growth problem of Raymond and to make recommendations as to what actions the Town of Raymond can take in regards to reducing or eliminating the restrictions imposed by the above article. The committee shall consist of five (5) members, appointed as follows: Two (2) by the Town Moderator, two (2) by the Raymond School Board, and one (1) by the Selectmen.

6. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate, and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in NH R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto.

7. To see if the Town will vote to raise and appropriate a sum of $55,000 for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed $55,000 under and in compliance with the provisions of the Municipal Finance Act (NH R.S.A. 33:1 et seq.) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Raymond and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 USC 1251 et seq.) and pass any vote relating thereto.

8. To see if the Town will vote to authorize the Selectmen to take any and all such action as may be necessary to acquire whatever easements and lands as are required for the construction of sewerage and sewerage treatment facilities and to authorize the Selectmen to employ whatever statuory provisions, including NH R.S.A. 31:92-a, as are deemed necessary or desirable in order to secure the easements and lands required for the project.

9. To see if the Town will vote to adopt the provisions of NH R.S.A. 252 (suppl.), with relation to sidewalks and sewers.

10. To see if the Town will vote to raise and appropriate a sum of $1,500,000, for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Act, as amended (33 USC 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed $1,500,000 under and in compliance with the provisions of the Municipal Finance Act (NH R.S.A. 33:1 et seq.) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Raymond, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto.

11. To see if the voters of the Town of Raymond, will authorize the Board of Selectmen to increase the price of cemetery lots to one hundred twenty-five ($125) dollars for a single space lot. One hundred ($100) dollars will go towards the improvement of the New Pine Grove Cemetery and its expansion. Twenty-five ($25) dollars will go in a cemetery trust fund account; its interest will be used for lot care in said cemetery. To further see if the voters will adopt the rules and regulations used in the Old Pine Grove Cemetery.

12. To see if the Town of Raymond will vote to appropriate five thousand ($5,000) dollars for the purpose of filling and excavating in the New Pine Grove Cemetery, to provide more burial lots, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972.

13. To see if the Town will vote to raise and appropriate the sum of two thousand ($2,000) dollars for the Seacoast Regional Counseling Center.

14. To see if the Town of Raymond will vote to appropriate twenty-five hundred ($2,500) dollars for the purchase of a fire and heat detector system, to be installed in the Town Library and the Town Highway Department Building and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of October, 1972.

15. To see if the Town of Raymond will allow the Highway Department to equip their equipment with two-way radios and authorize the withdrawal of the amount required, not to exceed two thousand ($2,000) dollars, for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972.

16. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972, for the use of the Fire Department, as follows:

Panel for Fire Alarm Box	$ 650.00
Water Vac	400.00
6 Air tanks for smoke masks	720.00
New hose	1,000.00
FM Radio for Tank No. 1	500.00
Nozzle Tips for Deck Gun	100.00
Salvage Covers	170.00

Total amount to be for the sum of three thousand, five hundred and forty ($3,540.00) dollars.

17. To see if the Town of Raymond will allow the Highway Department to purchase a new salt and sand spreader unit, and authorize the withdrawal of the amount required, not to exceed five thousand, five hundred ($5,500) dollars for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972.

18. To see if the Town of Raymond will vote to appropriate the sum of five thousand ($5,000) dollars for the purchase of a new police cruiser and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, established under the provision of the State and Local Assistance Act of October, 1972.

19. To see if the Town of Raymond will vote to appropriate the sum of one thousand ($1,000) dollars for the purchase of equipment for the Town Library and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, established under the provision of the State and Local Assistance Act of October, 1972.

20. To see if the Town will raise and appropriate the sum of two thousand ($2,000) dollars for the support of the Ray-Fre Senior Citizens Center.

21. To see if the Town will raise and appropriate a sum of money to finance the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated.

22. To see if the Town of Raymond will vote to establish Industrial Development Committee, consisting of three (3) or more members, to seek industry for the Town of Raymond and to assist those industrires in their move to Raymond. Also to appropriate the sum of five hundred ($500) dollars to be used by the committee in their endeavors. Committee members shall be appointed by the Board of Selectmen within sixty (60) days of the passage of the article.

23. To see if the Town will vote to accept the extension of Roy Street, off of Langford Road, extending 490 feet in distance and if the Town will vote to accept A Street, off of Roy Street, extending 450 feet, so that said road will be maintained and plowed by said Town of Raymond to the same extent, and in the same manner, as all other roads in said Town, when brought up to Town standards.

24. To see if the Town of Raymond will raise and appropriate a sum not to exceed nine thousand ($9,000) dollars to finance a Recreation Director for the Town as provided in Chapter 31:44 through Chapter 31:50 of the Revised Statutes Annotated.

25. To see if the Town of Raymond will raise and appropriate the sum of three hundred ($300) dollars for the Newmarket Health Center.

26. To see if the Town will vote to raise and appropriate a sum of money to be used in supplement with the balance of money carried over from the previous years for Lisa and Regina Avenues in Green Hills section.

27. To see what action the Town will take in regards to the removal of a knoll on Old Manchester Road located just beyond the railroad tracks from Raymond Center and to raise and appropriate money for same.

28. To see if the Town will raise and appropriate a sum of money to widen, gravel and surface a part of Green Road. This project to be constructed will involve approximately one thousand feet from each end of the existing dirt section of the road.

29. To see what action the Town will take in regards to the removal of a knoll located on Batchelder Road at the Philip Hoitt residence and to raise and appropriate money for same.

30. To see what action the Town will take in regards to raising and appropriating a sum of money to continue a road construction project on Lane Road that would include widening the road at Fordway Brook.

31. To see if the Town will vote to raise and appropriate the sum of two hundred and ninety ($290) dollars, to reimburse, in part, the Rockingham Child and Family Services, a private, non-profit organization, for services rendered to twenty-one families of the Town of Raymond during the 1976 calendar year. These families used forty-one units of service with a resulting deficit of $7.00 per unit. We therefore request $290.00 to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing counseling for residents of the Town of Raymond whether or not said residents are able to pay.

32. To see if the Town of Raymond should petition the State Legislature to enact a law to prohibit the hunting of game witha high-powered rifle within the Town of Raymond.

33. To see if the Town will vote to appropriate three thousand ($3,000) dollars for the purchase of metal folding chairs, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972.

ANNUAL REPORT OF THE RECREATION COMMISSION

The organizational meeting of the Recreation Commission was called on August 24, 1976, by Hughin Holt. The Commission consists of two members appointed by the Selectmen: Ivan Reed for three years and Marjorie Dannis for two years — and two members appointed by the School Committee: Hughin Holt for three years and Wayne Bailey for two years — and one member appointed by the Planning Committee: Virginia Clifford for one year. Each new appointment by the selecting bodies will be for a three year term. Marjorie Dannis was elected Chairman, and Virginia Clifford, Secretary.

The Commission voted unanimously to choose two alternate members who are to attend meetings regularly, to participate fully in committee work, to vote in any case of conflict of interest on the part of the first five members, and to vote in the absence of regular members. The alternates are Harriet Cady and Bruce Brown.

Four regular and one special meeting were held in 1976. By-laws were written and approved. Youth Recreation Sub-Committee Chairman, Wayne Bailey, has had several meetings with students on possible uses by them, after school, of the 100 wing basement of the High School. He has also held talks with other town groups on coordinating whatever activities might be started. A Wednesday evening basketball group has been formed which meets in the Callagham Gym.

The Commission's formal request for funding for site development, submitted to the New Hampshire Department of Resources and Economic Development, has not been granted as yet.

The Commission has agreed to submit a Warrant Article at the Annual Town Meeting, asking for funding for a Recreation Director who would administer the summer recreation program which has been turned over to the Commission by the Boosters Club; this person would also explore other sources of recreation funds, would run a community calendar, would schedule available spaces for community groups, would be available during the day and evening to meet with various town groups at their meeting times, and would help organize new recreation activities for all age groups. This person would be hired by the Raymond Recreation Commission to carry out the Commission's plans.

Line Item Budget for the Recreation Commission for 1977

We ask that $5,000.00 be included as a line item for the Recreation Commission, itemized as follows:

Summer Recreation Program

1. Water Safety instructor and life guard	$1,000.00	
2. Arts and crafts instructor	750.00	
3. Playground instructor	750.00	$2,500.00
Social Security		175.00
Insurance		100.00
Craft materials, dock maintenance, etc.		725.00
		$3,500.00
Operation of bus in town-to-town affairs for those without transportation		300.00
Expenses for whoever does duties listed under Recreation Director's job (travel, phone, postage)		500.00
Contingencies		200.00
Boat dock at Onway Beach		500.00

Summer program figures were supplied by Boosters Club, Frank Willich.

Warrant Article

To see if the Town of Raymond will raise and appropriate a sum not to exceed $9,000.00 to finance a recreation director for the town as provided in Ch. 31:44 through Ch. 31:50 of the R.S.A.

BICENTENNIAL COMMITTEE

On June 19, 1975, we received a letter indicating that our programs had been accepted and Raymond was officially designated as a Nation BiCentennial Community. A ceremony was held on Aug. 22, 1975 on the Raymond Common, when the official BiCentennial Flag was presented to the Town of Raymond.

A commemorative coin was made available on Dec. 15, 1975. The coin was designed by Mrs. Ruth B. Hoffman of Raymond, and was minted at the W.H. Blackinton Co. of Attleboro Falls, Mass. Mr. William Prince took the extensive job of distributing this coin. Because of his experience in the field of coin collecting, he did a very fine job. There were silver, pewter and bronze coins available. The coin has the Beane Tavern on one side and Raymond's original town hall on the other side.

A pictorial history of the Town of Raymond was prepared and published on May 8th, 1976. This book was made available by the Raymond Historical Society as one of their projects for the BiCentennial Year. The general idea of the book was to present a brief written and predominently pictorial history of the town. The book was very well prepared and highly acclaimed. This book is still available from the Raymond Historical Society.

The BiCentennial Dance was held in the new Raymond High School auditorium. The many townspeople who came danced to the music of Ted & Mark Hebert's Bands. Snacks and drinks were available during the dance and a great birthday cake was presented by Mrs. Eleanor Cottrell. Mrs. Shirley Dodge and her committee made this dance a very memorable occasion.

The 2nd Annual Street Fair was presented July 22, 23, 24, & 25, 1976. Participation had increased threefold over the previous year. Many varied programs for all ages were presented. Attendance was outstanding and everyone is looking forward to next years fair. Hopefully this fair will continue in future years as a permanent carryover for our celebration of 1976.

At 10:04 A.M., Saturday July 24th, 1976, one of the finest and possibly the largest parade in Raymond's history got underway. It took just under 2 hours for the entire parade to pass the reviewing stand. The large number of units testified to the outstanding job done by Ted Welch and his parade committee.

A beautiful BiCentennial Quilt was made by a group of Raymond ladies under the direction of Mrs. Caroline Severence. This quilt depicted places of historical interest in the town of Raymond. On July 22, 1976 this quilt was presented to the Raymond Historical Society.

July 1st., 1976, marked the pouring of the foundation for a permanent bandstand on the Raymond Common. This proved to be the most time consuming project of the BiCentennial Year. The work on this bandstand has been done on a voluntary basis and many, many hours have been given to this project. The main director (and worker) of this project has been Roger Paradis, and without his aid there wouldn't be a bandstand project. We hope this will be a lasting remembrance to future generations from those of us who lived in Raymond in 1976. In gratitude, I now list all of those who have given time to this project; Lawrence Cottrell, Cliff Goodwin, Paul Gustavson, Richard Bilodeau, Gordon Cammett, George Treantafel, William Harmon, Norris Gove, Gene Goddard, Kevin Waldron, Warren Clifford, Louis Lessard and Frank Case. On Saturdays and Sundays when we worked all day, lunches were served by Priscilla Perkins, Eleanor Cottrell and Peg Case. My thanks to each and all.

Even before completion of the bandstand, on Sept. 1, 1976 a band concert was presented by the Epsom Band. This concert lasted for 2 hours and was well attended.

In all it has been a very full year on my part and a very gratifying year. The large number of people who helped and the "special Spirit" generated at the time of the celebration still leaves me with a warm feeling and I only hope that all of those who participated or attended the celebration also felt this spirit. Any projects or plans as extensive as our for 1976, if successful, depends on not one person or one organization, or one committee, but on the dedicated work and participation of the whole community. We in Raymond received this participation and giving of energy, to all of those who helped I simply say thank you all and Happy Birthday America.

REPORT OF THE HIGHWAY AGENT

TARRING:

Sealcoating this year was done on the Old Fremont Road, Harriman Road, Langford Road, Essex Road, and Green Road. With so much money involved in the price per gallon for oil used for sealcoating we do not get as many places as I would like or we probably should.

We have rebuilt a number of miles of the old town roads and have built some new roads within the past fifteen years. These roads that were built conform strongly with Town Road Aid specifications. All these roads are still in very good condition. To preserve the surfaces of these roads we must be patching potholes, the edges, and sealcoat them where it is necessary to do so. We also have to recognize the condition of the older town roads, they also need attention. We then have to weigh out what we are going to do to get the surface back to a reasonable condition and how will it be done and how much more will it cost. These situations arise every year and we have them to cope with.

TOWN ROAD AID

Our town road aid project last year was a 2600′ section on Lane Road. This section of road was very narrow with embankments, trees, stonewalls, overhanging of heavy brush and sharp curves making visability very poor. We had some things in our favor that was advantageous to us and to the way the project progressed. There was very little ledge to contend with, there were places provided by some of the landowners which they allowed us to use for fill areas for stumps and big rocks which a lot of the large material was bulldozed into therefore saved on loading and trucking of. The trucking of road gravel was another savings. The distance of hauling was about one mile.

I would like to thank some of the landowners, Robert Clement, Malcolm Clifford, J. Henry Greenwood, on some of the more critical points of the road for allowing some of the excavations to involve some of their property. I hope we have proved our efforts that this section of road is a much safer road to travel in as much as visability and maneuverability is concerned.

I would like to be able to continue another TRA Project from this point which would involve widening of the road at Fordway Brook.

LANDFILL

The landfill area will need more equipment to provide cover for the dump. For this purpose it is agreed to put into a decent repair the Highway Department International truck to be used to haul cover for the dump. The sand & gravel fill is on the site but should be hauled by truck for closer availability. The truck will have to have quite a bit of work done on it. It is presently being used by the Highway Department for a salt and sand truck. The dozer at the Landfill site will have to have some repairs on it. These repairs are of normal wears on dozers.

EQUIPMENT

The town owns several pieces of Highway Equipment. This year even more than before we have had to appreciate what we have had to work with. With more snow to plow, heavy winging back of hard snow banks, more salting and sanding to do, more roads and parking areas. We have used all available equipment in efforts to keep up with and clear the roads of snow.

It was evident this past year that we were in need of an extra truck to plow snow and salt with for this winter. A special town meeting was called, an amount of money was voted on from Federal Revenue Sharing Fund by the people present. A committee was appointed by Moderator John O'Brien which I think did a good job of choosing a committee which was knowledgeable with equipment. The committee members chosen were: Myron Cate, Ed Kulakowski, Charles Perkins, Selectman Ivan Reed and myself.

Different makes of trucks, costs, availability and gas and diesel engines were main factors discussed. Mr. Reed and myself were elected to go "shopping and talking." We ended up with a Mack Truck with diesel engine, dump body, tank sander, complete plow changeover and the cost was nearly $2,000 less than maximum money allowed for this purpose. This truck is doing a good job and we expect to get some extra years of service from it.

I think something should be done about setting aside an amount of money each year for the purpose of buying equipment. We have a loader that is nine years old. We should spend some money on it for repairs or maybe update this equipment. Downtime for repairs with equipment when we need it, isn't good insurance for the department of the town.

I would like to take this opportunity to thank all town officers for their cooperation they have given me this past year. The police and fire departments; the selectmen; and the boys that make up the Highway Department. I would like to thank the citizens of Raymond for their cooperation and support.

Respectfully submitted,

Lyman R. Hammond, Jr. — Highway Agent

AUDIT REPORT

for the

TOWN OF RAYMOND

1976

Henneberry & Stone
Certified Public Accountants
Exeter, New Hampshire 03833

To the Board of Selectmen
Town of Raymond
Raymond, New Hampshire

We have examined the balance sheets of the various funds of the Town of Raymond as of December 31, 1976 and 1975, and all other related financial statements for the year ended December 31, 1976, listed in the following table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds of the Town of Raymond as of December 31, 1976 and 1975, and the results of operations of such funds for the year ended December 31, 1976, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules presented are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

TOWN OF RAYMOND

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Raymond conform to generally accepted accounting principles as applicable to governmental units. The following is a summary of the significant policies.

BASES OF ACCOUNTING

The modified accrual basis of accounting is followed by all funds. Modifications to the accrual basis consist generally of:

1. Revenues are recorded as received in cash except for
   (a) revenues susceptible to accrual and
   (b) material revenues that are not received at the normal time of receipt.

2. Expenditures are recorded on an accrual basis except for:
   (a) disbursements for inventory type items, which may be considered expenditures at the time of purchase;
   (b) prepaid expenses, which normally are not recorded;
   (c) interest on long-term debt, which should normally be an expenditure when due; and
   (d) the encumbrance method of accounting.

GENERAL FIXED ASSETS

General fixed assets purchased are recorded as expenditures in the general fund or appropriate special fund at the time of purchase. No depreciation has been provided on general fixed assets.

GENERAL LONG-TERM INDEBTEDNESS

In recording long-term debt, the Town of Raymond conforms with guidelines set forth in the National Committee on Governmental Accounting publication Governmental Accounting, Auditing and Financial Reporting (GAAFR). The GAAFR principle, which is a component of generally accepted accounting principles, requires that general obligation bonds and other forms of long-term debt supported by general revenues are obligations of the Town as a whole and not its individual constituent funds. Therefore, such long-term liabilities should not be carried as specific liabilities of any fund, but should be set up in a separate financial statement of the Town.

TRUST FUNDS

Trust funds in the custody of the Town's trustees are accounted for on the cash basis. Such accounting is consistent with applicable regulations regarding funds held for investment by trustees of trust funds.

NOTE 2 - PAYMENTS TO CAPITAL RESERVE FUNDS

The following payments were made or committed to the Capital Reserve Funds for the year ended December 31, 1976:

Highway Equipment Fund, in accordance with a prior Town Meeting vote, all proceeds from the rental of highway equipment is to be paid into this fund	$ 299.50
Fire Equipment Fund, an annual commitment has been established to provide for the Town's future needs respective to fire fighting equipment	1,500.00
Total	$ 1,799.50

NOTE 3 - INCOME FROM DEPARTMENTS

Income from departments for the year ended December 31, 1976, consisted of the following:

Police	$ 2,437.00
Board of Adjustment	270.00
Planning and Zoning	15.00
Total	$ 2,722.00

NOTE 4 - LITIGATION AND CONTINGENT LIABILITIES

The Town and J. Henry Greenwood, Chief of Police are defendants in an action brought by an individual who seeks to recover $20,000 in damages for slander and $20,000 in damages for false imprisonment.

As of this date (February 9, 1977), the companies providing insurance to the Town have refused to appear and defend as required; Town's counsel has filed a Petition for Declaratory Judgement that the court order the insurance companies to perform.

In the opinion of Town's counsel, there is little or no merit to the plaintiff's claims, and further more, the defense and payment of any damages is provided for under the terms of the Town's liability insurance.

AUDIT REPORT

for the

RAYMOND WATER DEPARTMENT

1976

Henneberry & Stone
Certified Public Accountants
Exeter, New Hampshire 03833

To the Board of Commissioners
Raymond Water Department
Raymond, New Hampshire

We have examined the statement of revenues and expenditures, arising from cash transactions, of the Raymond Water Department for the years ended December 31, 1976 and 1975, and the related statement of long-term indebtedness for the same years ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The aforementioned statements do not give effect to accounts receivable, accounts payable, and accrued items. Accordingly, the statements do not present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying statements present fairly the revenues and expenditures arising from cash transactions, of the Raymond Water Department for the years ended December 31, 1976 and 1975, and the long-term indebtedness outstanding as of December 31, 1976 and 1975, and the changes thereto for the years then ended. All statements are presented on a basis consistent with that of the preceding year.

RAYMOND WATER DEPARTMENT

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1976 AND 1975

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Raymond Water Department prepares its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Under such accounting procedures, no balance sheet is presented since the cash balance represents the fund balance.

Fixed assets purchased are recorded as expenditures at the time of purchase. No depreciation has been provided on such fixed assets.

NOTE 2 - HYDRANT RENTAL

The Raymond Water Department receives $2,500.00 annually from the Town of Raymond for the rental of hydrants. During the years ended December 31, 1976 and 1975, the Department received no other appropriation from the Town of Raymond.

NOTE 3 - CASH

The cash balance as of December 31, 1976 and 1975 was held in a checking account in the Exeter Banking Company.

NOTE 4 - LONG-TERM INDEBTEDNESS

Details concerning long-term indebtedness outstanding as of December 31, 1976 and 1975 are as follows:

RAYMOND
SCHOOL DISTRICT MEETING
March 1, 1976

The Raymond School District meeting was called to order at 7:00 p.m. in the Raymond Consolidated School Gymnasium by the Moderator, John H. O'Brien, with Frank G. Case, having been duly sworn by the Moerator, acting as Assistant Moderator. The School District Warrant was read by the Moderator.

Method of voting: Articles that were not voted upon by secret ballot were voted upon by raising blue colored voting cards with the letter "G" on them; unless declared otherwise by the Moderator. School District voters received the cards from the Supervisors of the Check List after stating their name to the Ballot Clerks and being checked off on the Check list.

Article 1

The Moderator declared the polls opened at 7:02 p.m. and announced that the polls would close at 9:02 p.m.

Results of the Secret Ballot vote for Article 1 is as follows:

School Board Members for three years: (Two)

Harriet E. Cady	67 votes
Gloria E. Carney	182 votes
Joseph B. Elliott	80 votes
Hughin D. Holt	133 votes

School District Treasurer for one year:

Phyllis A. Gove	215 votes

School District Clerk for one year:

Rita M. Curtis	168 votes
Elinor R. Rollins	70 votes

School District Moderator for one year:

Frank G. Case	154 votes

Total Ballots cast: 246
(Absentee Ballots cast: 15)

Article 2

Motion: By Marion Lovejoy, duly seconded by John Ornell that the Auditors Report be accepted as written in the Town Report.

Amendment: By Francesca Morrissey, duly seconded by Margaret Edwards that the Reports of Agents, Committees, or officers chosen be accepted and pass any vote relating thereto.

Amendment: Voted by a count of show of cards: Yes 59, No 71. Voted in the Negative.

Motion: Voted by a show of cards: Affirmative.

Article 3

Motion: By Marion Lovejoy, duly seconded by Hughin Holt that Article 3 be indefinitely postponed. Voted by a show of cards: Affirmative.

Article 4

Motion: By Marion Lovejoy, duly seconded by Hughin Holt that the District authorize the School Board to accept on behalf of the District any Federal or State funds, including Manpower Administration funds and Department of Resources and Economic Development Funds, designed to improve educational opportunities and to make application for such funds and to expend the same for projects as it may designate.

Voted by a show of cards: Affirmative.

Article 5

Motion: By Marion Lovejoy, duly seconded by Hughin Holt that the School District authorize the School Board to enter into an agreement for Vocational Education under New Hampshire Revised Statutes Annotated Chapter 188-E with the school districts of Exeter, Epping, Sanborn Regional, Newmarket, Winnacunnet Cooperative and with the State Board of Education so that the Raymond School District will be enabled to participate in the Vocational Education Program serving Region #18 to be conducted in Exeter.

Voted by a show of cards: Affirmative.

Motion: By Warren Clifford, duly seconded by Clayton Bagley that Article 6 be voted upon after Article 7.

Voted by a show of cards: Affirmative.

Article 7

Motion: By Marion Lovejoy, duly seconded by Hughin Holt that the District raise and appropriate the sum of $1,392,000 for the support of schools for the salaries of School District officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriations such sums as are estimated to be received from the State Foundation Aid together with other income; the School Board to certify to Selectmen, the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes of the town.

The Chairwoman of the School Board requested that she be allowed to read the entire School District Budget and that any questions from the voters be asked after the budget was

read. The Moderator ruled that the School District Budget would be read and that the voters be allowed to ask questions on any line item as it was read.

After spending 45 minutes on four line items, Mr. Edward Thompson challenged the Moderator's ruling. Mr. Thompson wanted the School District Budget read in its entirety with questions by the voters after the budget was read. The challenge was made by Edward Thompson and duly seconded. The Moderator called for a vote. The question voted upon was: Do you support the Moderator's ruling? Voted by a show of cards: Negative. The voters overruled the Moderator's ruling and the Budget was read in its entirety and questions were asked afterwards.

Motion: Voted by a show of cards: Affirmative.

Article 6

Motion: By Clayton Bagley, duly seconded by Warren Clifford that the Raymond School District vote to allow alcoholic beverages to be consumed in the new gymnasium and/or cafeteria for adult functions. Police duty to be provided by all parties renting school gymnasium and/or cafeteria. Further, that the School Board be directed to establish reasonable rules and regulations governing these functions in conjunction with present School Board policy relative to the non-school use of school district facilities. This vote to be taken by secret ballot.

Motion: By William Grace, duly seconded by Lawrence Martin, that the question be voted upon.

Voted by a show of cards: Affirmative,

The Moderator declared the polls opened at 9:36 p.m. and that they would close at 10:06 p.m.

Results of the Secret Ballot vote for Article 6 is as follows:

Yes	68 votes
No	109 votes

Total Ballots cast: 177.

Voted in the Negative.

Article 8

Gloria Carney announced that Sandra Mulholland and Sue Bagley were appointed as alternate members to the Staff Development Committee.

Motion: By Warren Clifford, duly seconded by Hazel Holt that the meeting be adjourned.

Voted by a show of cards: Affirmative.

The meeting was adjourned at 11:00 p.m.

RAYMOND SCHOOL DISTRICT - WARRANT
THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF RAYMOND, COUNTY OF ROCKINGHAM AND STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Community Gymnasium in said District, on the fifth day of March, 1977 at 7:00 o'clock in the evening to act upon the following articles:

1. To choose school district officials for the ensuing year.

2. To choose agents and committees in relation to any subject embraced in this Warrant.

3. To hear the reports of Auditors and pass any vote relating thereto.

4. To see if the District will authorize the School Board to accept on behalf of the District any Federal or State Funds, including Manpower Administration funds and Department of Resources and Economic Development funds, or gifts from either private or public sources, designed to improve educational opportunities; further, to see if the District will authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

5. To see if the School District will vote to raise and appropriate the sum of $10,000.00 for the purchase of approximately 2.03 acres of land in Raymond with the buildings thereon, said land being owned by Harry L. and Winifred M. Leavitt. The land and buildings to be used for purposes consistent with the terms and conditions of any grant that might be made to the Raymond School District by the Federal Bureau of Outdoor Recreation.

6. If Article 5 is accepted, to see if the District will vote to direct the Raymond School Board to apply for and receive from the Bureau of Outdoor Recreation all funds to which the District is entitled as the result of the acquisition of the land set forth in Article 5, and to expend the same.

7. To see if the District will vote to direct the Raymond School Board to proceed with the expenditure of $27,054.03 (with accrued interest) for recreational purposes, said sum being appropriated at the 1975 Annual School District Meeting and further direct the Raymond School Board to proceed with its application to the Bureau of Outdoor Recreation for matching funds in the amount of $27,050.00 voted at the 1976 Annual School District Meeting, all such sums to be expended for purposes consistent with the Federal Bureau of Outdoor Recreation requirements.

8. To see if the District will vote to raise and appropriate the sum of thirty eight thousand ($38,000.00) dollars to fund an expected deficit in such amount for the 1976-77 school year.

9. To see if the District will vote to raise and appropriate the sum of seven hundred forty-eight thousand four hundred forty-two dollars and seventy-five cents ($748,442.75) to fund all cost items relating to teachers' salaries and benefits for the 1977-1978 school fiscal year, forty-six thousand one hundred sixty-eight dollars and fifty-six cents ($46,168.56) of such sum representing the cost of those additional salaries and benefits offered to the teachers by the School Board in the bargaining sessions which are still going on.

10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the district.

11. By petition of ten legal voters: We the undersigned petition the Raymond School District to allocate $1,000.00 for the identification of academically gifted and otherwise talented students and for the establishment of an enrichment program to meet the needs of these students.

12. By petition of ten legal voters: We the undersigned petition the Raymond School District to allow alcoholic beverages at adult functions properly policed in the school building or on the school grounds. The vote taken will except all school-related activities held by students.

13. By petition of ten legal voters: We the undersigned petition the Raymond School District that a policy be adopted whereby results of all achievement and other standardized tests be mailed to parents or guardians of all students as soon as practicable after scoring and tabulation of these tests.

14. By petition of ten legal voters: We the undersigned petition the Raymond School District that all students be required to demonstrate eighth grade proficiency in reading and mathematics as measured by standardized achievement tests before graduation from high school.

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Raymond this 16th day of February, 1977.

SCHOOL BOARD REPORT

During the past year the Raymond School District's most extensive building program ever was completed. More than doubling the classroom space previously available plus adding a new gymnasium and media center, the program cost more than one and a half million dollars.

Such an extensive undertaking obviously has a substantial impact on our tax rate and focuses attention on the need of keeping school operating costs to the minimum consistent with providing our young people with a well rounded education.

The evidence of our concern in this area is perhaps best demonstrated by pointing out that a recent release from the State Department of Education shows that our per pupil costs rank in the lowest 10 percent for the entire state. While we will continue to carefully watch our costs we obviously cannot avoid the increasing costs of education brought about by our ever increasing enrollments and the pressures of inflation.

We cannot overlook the maintenance requirements of the old wooden structure the major portion of which is 60 years old. There is a need of providing storm windows and insulation to keep ever skyrocketing fuel cost down. Repairs to the roof and the shingles must be made. We must further plan for the renovation of the basement area to provide additional teaching stations.

So while the most recent phase of our building program is behind us, our job next year is to integrate the old and new facilities into a smoothly operating unit and then move on to planning the next phase of the building program which our continued growth will force upon us.

SUPERINTENDENT'S REPORT

To the Citizens of Raymond:

The 1975-76 school year was undoubtedly the most challenging year the Raymond School District has ever encountered. During this period of time, the school board considered not only the regular operation of the schools but also the building project.

In reviewing the agendas, more than three hundred items were brought before the school board for their consideration, ranging in problems concerning administration, curriculum, personnel, and a milieu of items concerned with the building project.

In the administrative organization of the district, more than seventy-two policies were adopted. In my opinion, the Raymond School Board has one of the most comprehensive set of guidelines of any district within the State of New Hampshire.

With the advent of the new collective bargaining law, the Raymond School Board's negotiating team and the Raymond Teachers' Organization have been able to reconcile their positions in a most professional manner.

My major concern, as it has been in the past, is the continuous growth of the community. This is ever present in my mind and it will be a major priority in my leadership goals as a Superintendent of Schools.

On behalf of the students of the district, I wish to extend my thanks to the Raymond School Board, to the capable leadership of Assistant Superintendent, Richard Thompson, and to Mr. John Callaghan and Mr. Edward Donovan, administrators of the schools; and to the Staff.

Respectfully submitted,
David R. Cawley
Superintendent of Schools

Dear Mr. Cawley:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Raymond School District.

The auditors' report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the 1976 Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,
Lorraine F. Racette
Assistant Director

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Raymond of which the above is a true summary for the fiscal year ending June 30, 1976, and find them correct in all respects.
